5 **SECTION 1.(a)** Article 10 of Chapter 143 of the General Statutes is amended by  
6 adding a new section to read:

7 "**§ 143-162.6. Use of ESG and ETI prohibited in employment decisions.**

8 (a) As used in this section, "environmental, social, and governance (ESG) criteria" or  
9 "economically targeted investments (ETI) requirements" means using a set of standards to screen  
10 potential investments based upon the perceived impact to the environment and the social  
11 relationships between a company's employees and the community. The term also includes how a  
12 company's leadership is structured in support of those standards.

13 (b) No State agency, political subdivision of the State, trust, committee, or commission  
14 of any political subdivision of the State shall use, enforce, provide data for use in, or otherwise  
15 participate in the creation or use of ESG or ETI policies related to hiring, firing, or evaluating  
16 employees.

17 (c) Except as allowed by law, ESG, ETI, or related criteria shall not be considered in the  
18 awarding of State contracts."

19 **SECTION 1.(b)** This section is effective when it becomes law.

35 Retirement Systems based on reasonable actuarial factors.

- 1 g. The purpose of the fund, if established.
- 2 (2) Shall diversify the investments of the fund unless the State Treasurer
- 3 reasonably determines that, because of special circumstances, including

- 5 (3) Shall make a reasonable effort to verify facts relevant to the investment and
- 6 management of assets of the funds.
- 7 (4) Shall invest only in those investments authorized by law consistent with the
- 8 provisions of Article 6 of Chapter 146 of the General Statutes.

- 16 investment based on appropriate investment horizons consistent with
- 17 the purpose of the fund, if established.
- 18 b. Environmental or social considerations are pecuniary factors only if
- 19 they present economic risks or opportunities that qualified investment
- 20 professionals would treat as material economic considerations under
- 21 generally accepted investment theories. The weight given to those
- 22 factors shall solely reflect a prudent assessment of their impact on risk
- 23 and return.
- 24 (6) May, in the evaluation or exercise of any right appurtenant to an investment,
- 25 reasonably conclude that not exercising such a right is in the best interest of
