

§ 113-170. Exportation and importation of fish and equipment.

The Commission may adopt rules governing the importation and exportation of fish, and equipment that may be used in taking or processing fish, as necessary to enhance the conservation of marine and estuarine resources of the State. These rules may regulate, license, prohibit, or restrict importation into the State and exportation from the State of any and all species of fish that are native to coastal fishing waters or may thrive if introduced into these waters.
