

§ 113-228. Adoption of federal regulations.

To the extent that the Department is granted authority in this Subchapter over subject matter as to which there is concurrent federal jurisdiction, the Marine Fisheries Commission in its discretion may by reference in its rules adopt relevant provisions of federal laws and regulations as State rules. To prevent confusion or conflict of jurisdiction in enforcement, the Marine Fisheries Commission is exempt from any conflicting limitations in G.S. 150B-21.6 so that it may provide for automatic incorporation by reference into its rules of future changes within any particular set of federal laws or regulations relating to some subject clearly within the jurisdiction of the Department.
